Business Stationary

A unified stationery system establishes a common style and helps us communicate effectively and consistently.

For UCCS business stationary, use the official UCCS logo signature. Unit-specific signature extensions cannot be used in place of the UCCS logo signature on business stationary.

**Letterhead and Envelopes**

The letterhead and envelopes feature a logo signature and clean presentation of contact information. Use of a consistent layout supports our unified image and builds brand recognition.

Preprinted business stationary is available from the UCCS Copy Center. Visit [www.uccs.edu/copycenter](http://www.uccs.edu/copycenter) for more information.

**Business Cards**

Business cards feature a clean layout with logo signature at top left, cardowner’s name, title and affiliation at bottom left, and contact information at bottom right.

Business cards are available from the UCCS Copy Center. Visit [www.uccs.edu/copycenter](http://www.uccs.edu/copycenter) for more information.

Business stationary should contain only essential information as articulated in system and campus identity standards manuals. Business cards and stationary should not have extraneous information such as taglines, additional contact information, or departmental or individual mission statements (either on front or back of business cards).

The only acceptable use for the back of business cards is essential information such as physician clinic or medical/ emergency contact numbers. QR codes may be added to the back of business cards only if they contain university contact information and/or point to official university websites with the domain name of uccs.edu, colorado.edu, ucdenver.edu, cu.edu or cufund.org.

Design standards and stationary templates are available from the University Brand Manager.
